A THEATRE FOR ALL SEASONS

THE CAMPAIGN

The trustees reached the determination that the future of this historic theatrical landmark cannot be served by anything less than a serious fundraising effort to make it more than a summer auditorium for transient theatrical enterprises.

The Ivoryton must and will become a theatre for all seasons.

For concerts, dance performances, serious theatre and performing arts of all kinds, on both a national level and a local level, the community desperately needs a proper facility.

The Ivoryton needs your help. With the guidance of experts in the relevant fields, we have drawn up a comprehensive five-year plan for major restoration and enhancements. We have established programming goals for a year-round facility with a building agenda, and a phased development budget to support it. The list of improvements is long, but not impossible to achieve. And with your help and generosity we can look forward to **A Theatre for All Seasons**.

BUILDING FUND/CAMPAIGN

The Ivoryton Playhouse Foundation wishes to thank Middlesex Mutual Assurance Company for their generous contribution of a \$10,000 matching grant for the 1987 campaign - **A Theatre for All Seasons**.

The River Rep wishes to express its thanks to the board of the Ivoryton Playhouse Foundation, particularly to Peg and Ed Quirin and Kathy and Walter Pierson for help and support beyond the call of duty. To Bunny Brooks for her belief in us and the donation of her beautiful house as our pre-season base. Also to Marily McKinnon and the Ivoryton Inn for their help in housing our actors. More thanks to Dave Campbell of The Piano Factory for his generous loan of a piano both at the theatre and at the Inn Pub. Also to Linda Carrol Young and Georgea Pace for their invaluable help, to our dedicated interns and, of course, to Bobbie Gelinas-Wight.
